

# Good Shepherd School Code of Conduct

As of February 1st, 2008 the provincial code of conduct will be implemented in all schools in Ontario (Bill 212). Our present code of conduct will be dissolved. Our school board currently has four draft policies outlined in this section of our website. Parents are invited to give feedback on these policies through our board website

[www.pvnccdsb.on.ca/board/currentdraftpolicies.asp](http://www.pvnccdsb.on.ca/board/currentdraftpolicies.asp).

A Board code of conduct will be established for all schools soon.

A Safe Schools committee will be established at Good Shepherd. Any parent interested in serving on this committee please contact Mrs. Ford at the school.
