

I feel blessed to be the Vice Principal of Good Shepherd Catholic Elementary School. Although Good Shepherd is a school with many opportunities for our students, and it is a school that has a strong sense of community. This sense of community is most clearly felt in the strong faith commitment of students, staff and parents. This commitment is evident daily in positive interactions, and in the caring and compassion seen throughout our school. My goal is to be of service to this community in ensuring safety for all students, and in providing support in establishing a strong academic focus so that all students can achieve their goals and fulfill their potential. Please feel free to approach me with concerns, questions or ideas about our school.
