Association of Peterborough**

*The right to learn, the power to achieve*

**A Technology Workshop  
for students, parents, educators, employers and service providers.**

## **Assistive Technology and Handheld Devices: Tools to Help at Home, School and Work**

**Speaker: Michael Kerr**

Resource Services Consultant, Provincial Schools Branch  
Sagonaska Demonstration School

**LCVI**

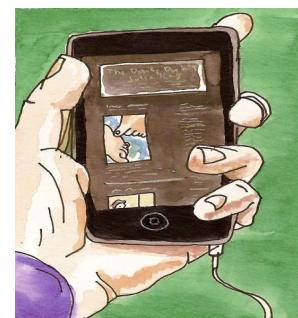

**Cafeteria**

**260 Kent St.**

**Lindsay, ON**

**Ticket Price: \$5.00**

## **Technology can help !!!**

### **This workshop will demonstrate:**

- the power of traditional Assistive Technology,
- the possibilities of mobile electronic devices (smart phones and tablet computers), and
- the availability and use of web-based and mobile applications (Apps).

Participants will have an excellent opportunity to learn a variety of possible strategies that employ mobile devices and the potential for their use at home, school and in the workplace to enhance engagement, learning, confidence and independence.

**Michael Kerr** is an educator who has worked with students with special needs for over 20 years. Michael has been described as a 'visionary at utilizing mobile technology' for use by individuals with learning challenges affecting reading and writing. He is an advocate for individuals with learning disabilities, promoting the use of assistive technologies and access to these powerful tools. Michael shares findings, strategies and information on his blog [kerrlaboration.blogspot.com](http://kerrlaboration.blogspot.com)

**Presented by: Learning Disabilities Association—City of Kawartha Lakes Services**
