

# To prepare for University Presentations

## QUESTIONS TO ASK

### **Ask yourself the following questions before:**

What programs or courses interest me?  
Which subject(s) am I good at?  
How many years do I plan to be in university?  
How will I pay for university?  
How early should I start saving for university?  
Is living at home a possibility/preference?  
Can I afford to live away from home?  
Do I want to live away from home?  
Do I want to attend a small, medium or large university?  
Is the look and feel of the campus I choose important to me?

### **Admission Requirements:**

What courses are required in order to be admitted into the programs that interest me?  
Are there additional requirements for admission to the program I am interested in?  
Can I go right into education/teaching, law school, optometry, pharmacy, medicine or any other professional program directly from high school?  
Do you accept courses that have been taken through night school, summer school and correspondence?

### **Program:**

What is an undergraduate degree?  
Does your university have the program that interests me?  
What is the difference between a professional program and a master's degree?  
Where can I get more information about a particular program?

### **Finances:**

What are the costs involved in attending your university for one year?  
Do you award scholarships automatically or do I need to apply?  
What are the criteria for your scholarships and when are the amounts determined?

### **Lifestyle:**

How do I apply for residence?  
Is residence guaranteed?  
What varsity sports are available?  
Can I still play sports if I'm not on a varsity team?  
Are there campus support services offered especially for new students?  
What are the first-year class sizes like at your university?  
Do class sizes vary according to the program I choose?

### **Next Step:**

When are your campus tours available?  
Are you offering any special open houses during the fall?
